

Introduction.....

Serving all of N.E., we provide lighting and grip packages up to 12-tons; generators from the crystal Honda 5500w to 1200A blimped sets; as well as studio and dolly rentals. Our inventory includes the latest single ended H.M.I. technology from LTM and Arri; flicker-free electronic H.M.I. ballasts from Power Gem; quartz lighting from Mole Richardson and Arri; Kino-Flo fluorescent lighting fixtures; as well as, the latest grip equipment from American Studio Equipment.

Our lighting and grip trucks are late model cabover diesels and are outfitted with the latest production equipment handling technology. To efficiently organize our large equipment packages in their oversized boxes, our grip trucks are outfitted with Backstage equipment carts, light hampers (w/ oversized casters), muscle trucks, oversized "cable style" jockey boxes, and custom B-Line shelving. To make loading quick and easy, the trucks feature extra large "level lift" power tailgates, side doors, and interior/exterior worklight systems. The trucks are tow capable and we offer a complete line of sound blimped, as well as, the more affordable sound attenuated tow generators. Our trucks come stocked with a complete inventory of expendable supplies on a pay-as-used basis. We are the only rental company in N.E. to stock sheets of gels and diffusion on our trucks; and sell gels and diffusion off the roll by the foot. We are, also, the only rental company in N.E. to "package discount" the latest H.M.I. technology. Our 1 to 12-Ton H.M.I. pkgs. have built-in discounts in excess of 30% off our competitor's rates. To design a custom package at a substantial savings, simply add additional instruments at competitive rates.

Call 781-326-5088 for your immediate needs.

Guy Holt, President June 2001

Small Studio Pkg. (as detailed on page 18)

- 5 1kw Cyc Lights
- 12 1500W Scoop Lights

Generators

ScreenLight & Grip offers many sizes and configurations of generator packages. We offer units mounted on 5 & 10-Ton Grip Trucks. We also offer units mounted on their own trucks or trailers; so that you can put the generator where it should be, and not where the grip truck should be. For smaller shoots we offer the Honda portable gas units. Consult with our experienced staff as to which of these units will work best for you.

Note: Operator must be supplied by ScreenLight & Grip. Larger trailer or truck mounted generators are available. Pricing available on request.

LARGE DIESEL GENERATORS

1800A TRUCK MOUNTED GENERATOR \$1500.*

* Available on a pay as used basis (\$1/Amp) by prior arrangement. Truck mounted set quietly delivers continuous rated power (1800A @120V 3 Phase). Fuel is \$8.00/hr.

1200A BLIMPED TOW GENERATOR \$850.

Crawford trailer mounted unit quietly delivers continuous rated power (1200A @ 120V 3 phase. Fuel is \$8.00/hr.

600A BLIMPED TOW GENERATOR \$600.

Crawford trailer mounted unit quietly delivers continuous rated power (600A @ 120V 3 phase. Fuel is \$8.00/hr.

450A BLIMPED TOW GENERATOR \$535.

Extremely compact and quiet MQ Silent Star 60 plant mounted on trailer (450A @120V 3 phase). Fuel is \$8/hr.

400A TRUCK MOUNTED GENERATOR \$550.

Onan unit mounted on a small truck (400A @120V 3 phase). Fuel is \$8/hr. Must be supplied with technician.

180A BLIMPED TOW GENERATOR \$250.

Extremely compact and quiet MQ Silent Star 25, mounted on a trailer, weighs only 2500lbs. (180A @120V 3 phase). Fuel is \$5/hr.

GENERATOR DELIVERY INQ.

Prices for tow units do not include tow. If not towed by a grip truck, delivery of most units is \$75, plus \$.30 / mile. Call for quote.

SMALL GAS GENERATORS

6500W HONDA GENERATOR \$125.

Without precision frequency control, this Honda ES6500 Generator requires the more expensive electronic H.M.I. ballasts for flicker-free filming. (continuous rated power of 50A @120V Single Phase , or 25A per leg)

5500W CRYSTAL HONDA GENERATOR \$150.

Our new Honda EX5500 has been extensively retrofitted for greater reliability; is half as loud (10 db quieter); and runs longer on a tank of gas, than the Honda ES 6500 above. We've further outfitted this unit with a precision Barber-Coleman AC frequency governor for flicker-free filming with the more affordable and power efficient H.M.I. magnetic ballasts - a cost savings combination (continuous rated power of 42A @120V Single Phase (21A per leg)).

FULL POWER 5000W TRANSFORMER DISTRO \$35.

This accessory power transformer distro steps down the 240V output from the Honda 5500 to 120V giving you access to the full 5000W continuous rated power capacity of the generator in a single 42A/120V circuit. You can now simultaneously run a 2500W H.M.I. with a 1200W H.M.I.; or two 1200W H.M.I.s with two 575W H.M.I.s.; or, even a 5000W quartz light. Add 200' of 10/3 twistlock cable between the Honda 5500 and the 5000W Transformer Distro and your set to record sync sound without picking up generator noise.

3500W HONDA GENERATOR \$55.

1000W HONDA GENERATOR \$40.

Mobil AC/Heat

Mobil AC/Heaters include 50' of feed and return hose and window adapters. Additional Hose available upon request at a nominal additional charge.

15 TON MOBILE AC/HEATER \$500.

180'000 BTU Spot Cooler Air Conditioner mounted on small trailer. Can also supply 82'000 BTU of heat (Operates on 208/240 vac, 100 Amps, 3 Phase)

7 TON MOBILE AC/HEATER \$250.

84'000 BTU Air Conditioner mounted on small trailer. Can also supply heat.

PORTA-GRID (DROP CEILING) SYSTEM

The revolutionary Porta-Grid System turns any ordinary drop-ceiling into a full blown studio grid. The rock solid Porta-Grid clamp attaches to any standard drop-ceiling "T" Channel; and will support the weight of even a 5k Fresnel. With a full complement of extension hangers, risers, off-sets, grip arms, flags & nets, the Port-Grid System gives you studio control on location. Visit our website at www.screenlightandgrip.com for more details on the power & versatility of the Porta-Grid System.

The Porta-Grid System is registered w/ the U.S. Patent & Trademark Office

Porta-Grid Clamp (w/safety Eye) \$4.⁵⁰
 (Note: Clamp comes without light mount. Please specify from list below)

Baby Pin (w/twist-lock nut) \$1.
 Jr. Receiver (w/twist-lock nut) \$2.
 Stirrup (w/twist-lock nut) \$1.⁵⁰
 Pipe Clamp (w/twist-lock nut) \$2.

Tent Sides (set of 2)	\$10.

COMMUNICATIONS

Walkie-Talkies	\$20.
5w multi-channel provided w/ accessory speaker/ microphone, fast charger, and spare battery	
Headset "over the ear" PTT	\$10.
Base Station Adapter	\$50.

REFLECTORS

42"x 42" Std. Reflector w/Jr. Stud	\$18.
(Note: for full leaf softside, add \$15.)	
42"x 42" Gold Reflector	\$22.
42"x42" Flat Mirror Refector	\$25.
Expendable Silver Refletor	\$13.
Expendable Gold Reflector	\$13.
36" Convex Mirror Reflector	\$20.
38" Silver/White Flex Fill	\$12.
Reflector Board Yoke	\$5.

Production Services

ScreenLight & Grip can crew your production. If you book crew, rent the equipment they use, and pay them on a 1099 basis, you are probably in violation of new IRS employee classifications. **We can protect you from the IRS.** We offer both booking and paymaster services, for the following positions. Visit www.screenlight-andgrip.com under "crewing", or call, for more details.

Camera:

Director of Photography
Camera Operator
Camera Assistant
Loader

Electric:

Gaffer
Electricians
Generator Operator

Grip:

Key Grip
Dolly Grip
Grips

Rental Procedures and Policies

RESERVATIONS

1. Equipment should be reserved as far in advance as possible to insure your specific needs. Orders placed after 12 noon for use the following day are subject to equipment availability. In such cases **ScreenLight & Grip** will inform you if additional charges are necessary in processing your order.
2. Minimum rental period is 1 day. Weekly rate is 4 times daily rate. Weekend use days are charged at the daily rate. Equipment is available, by special arrangement, on a "pay-as-used" basis.
3. All orders are considered "reserved" unless otherwise specified. Should a booking conflict arise regarding equipment that you have "reserved," we will contact you. You may then choose to "confirm" or "cancel" your order. Any "confirmed" order that is subsequently canceled will be subject to cancellation charges equal to 1/2 days rental.
4. All prices and specifications are subject to change without notice.

PICK-UP & RETURNS

1. Out-going orders are available for pick-up between 4 pm and 5 pm, Mon.-Fri. Returning orders are accepted between 9 am and 10 am, Mon.-Fri. Orders can be picked up and returned at other times by prior agreement. Pick-ups and returns outside normal business hours may be subject to an off-hours service charge.

LAMP BURN-OUTS

1. There is no charge for lamp burn-outs if the burned out lamp is returned with the light. Burned out lamps not returned with the light will be billed.

CREDIT

1. Unless other arrangements are made, it is required to establish an account with **ScreenLight & Grip** to rent equipment. New customers should submit a completed credit application, allowing ample time for processing. Rentals without an account are on a cash in advance basis.
2. Payment on all accounts is Net 30 days. Interest will be charged at the rate of 1.5 percent per month on the unpaid balance after 30 days. The Lessee agrees to pay Lessor's legal and collection fees in the event of default on their account.

INSURANCE

1. No equipment will leave the premises of **ScreenLight & Grip** without evidence of appropriate insurance. The Lessee shall, at his own expense, name ScreenLight & Grip as additionally insured on a general liability policy of not less than one million dollars; and insure for the replacement cost all rented equipment and supplies with an all-risk, all-loss policy. Prior to rental, Lessee shall evidence coverage by providing a certificate of insurance

naming ScreenLight Productions, Inc., as additionally insured for liability and as an additional loss payee.

2. **ScreenLight & Grip** can provide insurance against equipment loss or damage. The Lessee is advised to become familiar with cost and limitations of this policy.

LIABILITY

1. Lessee is invited to inspect all equipment before leaving our premises. **ScreenLight & Grip** is not responsible for any liability, claims, costs or expenses arising from use or possession of its equipment. The equipment is rented without warranty or guarantee of any kind, expressed or implied.
2. Furthermore, not being the manufacturer of its rental equipment nor manufacturer's agent, **ScreenLight & Grip** makes no warranty or representation, either expressed or implied, as to the fitness, design or condition of, or as to the quality or capacity of our rental equipment, nor any warranty that the rental equipment will satisfy the requirements of any law, rule, specification or contract which provides for specific equipment or specific methods, it being agreed that all such risks, as between the Lessor and the Lessee are to be borne by the Lessee at its sole risk and expense.
3. Equipment is rented at the premises of **ScreenLight & Grip**. Lessee hereby assumes full responsibility for selecting the mode of delivery of the equipment from Lessor's premises to the Lessee; safekeeping the equipment and keeping the equipment in a state of good condition and repair, free from damage of any kind whatsoever, including any reasonable charge imposed by the Lessor for cleaning the equipment; and the safe return date. Lessee agrees to assume full responsibility and liability for the safekeeping and return to Lessor's premises of all items of equipment, from the time the equipment leaves Lessor's premises until it is returned.
4. In the event of loss or damage to rental equipment as a result of any cause whatsoever, lost or stolen, whether in transit from or to the Lessors premise, or while in the actual or constructive possession of Lessee, full rental charges will be incurred for the period from the scheduled end of the rental until payment for loss or repairs are completed, whichever occurs last.
5. Lessee represents that it has the necessary skill and experience to operate equipment provided by Lessor. Lessee agrees to and does hereby indemnify and hold harmless Lessor from any and all claims, suits, liability, expense, damage, causes of action or judgements, including attorney's fees, resulting from injury to or death sustained by any person or persons, including but not limited to Lessee, any subleases of Lessee, subcontractors and their respective employees, or damage to property of any kind, including but not limited to the equipment, which injury, death, or damage arises out of or is in any way connected with the use, operation or possession of the equipment by anyone during the term of the rental and until the equipment is returned to Lessor, including but not limited to the failure to repair, maintain or operate the equipment as required herein. This indemnity is meant to and does include any such injury, death or damage arising from any cause whatsoever, including, but not limited to, any alleged defect in the manufacture and design of the equipment, and any acts or omissions, willful misconduct or negligent conduct of Lessor, whether active or passive.
